Honorary Chairs

Jianguo Wang, Zhejiang University of Technology, China (*Vice President of ZJUT*)

Jinyu Wen, Huazhong University of Science and Technology, China (*Vice President of HUST*)

Conference Chairs

Xiaodong Liang, University of Saskatchewan, Canada (*PES&IAS IEEE Fellow*)

Syed Mofizul Islam, Federation University Australia, Australia (*PES&IAS IEEE Fellow*)

Fushuan Wen, Zhejiang University, China (*PES IEEE Fellow*)

Xiangjun Zeng, Hunan University of Technology, China (*President of HUT*)

Conference Co-Chairs

Wei Gu, Southeast University, China (*IET Fellow*)

Canbin Li, Shanghai Jiao Tong University, China

Zuyi Li, Zhejiang University, China (*PES IEEE Fellow*)

Steering Chairs

Fausto Pedro García Márquez, University of Castilla-La Mancha, Spain (*PES IEEE Senior Member*)

Xinzhi Wang, Shanghai Jiao Tong University, China

Program Chair

Youbing Zhang, Zhejiang University of Technology, China

Program Co-chairs

Pierluigi Siano, University of Salerno, Italy (*PES IEEE Senior Member*)

Gaolin Wang, Harbin Institute of Technology, China (*IEEE IES Senior Member*)

Lei Yan, Zhejiang University, China

Publication Chair

Youquan Zhong, Zhejiang University, China

Chapter Chair

Gheorghe-Daniel Andreescu, Politehnica University Timisoara, Romania

Organizing Committee Chairs

Jiayu Han, Zhejiang University of Technology, China

Zhengmao Li, Aalto University, Finland

Chenyuan Teng, Tongji University, China

Guofeng Wang, Zhejiang University of Technology, China

Kai Yin, Zhejiang University of Technology, China

Publicity Chair

Jiajia Yang, James Cook University, Australia (*IEEE PES Senior Member*)

Technical Program Committee Chair

Nikolaos M. Manousakis, University of West Attica, Greece (*IEEE PES Member*)

Topics

Topics of interest span theoretical, methodological, system-level, and applied aspects, and include (but are not limited to):

- Artificial Intelligence Technology
- Power Systems and New Energy
- Electrical Machines and Systems
- Power Electronics and Electric Drives
- High Voltage and Discharge Technology
- Energy Storage and Its Applications
- New Electrical Engineering Materials
- Intelligent Sensing and Intelligent Terminals for Power Equipment
- Advanced Electromagnetic Technology

For more topics, please visit at:

<https://www.pcpe.org/topics.html>

Paper Submission

One regular registration can cover a paper 6 pages, including all figures, tables, and references for one main author of the paper, and additional pages will be charged.
